

Disclaimer

This document (prepared on 7 July 2024) does neither constitute an offer nor a request to buy or sell any securities. It only serves informational purposes. This document only contains a non-binding opinion on the mentioned securities and market conditions at the time of its publication. Due to the general character of its content this document does not replace investment advice. Moreover, in contrast to especially approved prospectuses, it does not provide information, which is necessary for taking investment decisions.

All information, which has been used in this document, and the statements that have been made, are based on sources, which we think are reliable. However, we do not guarantee their correctness or completeness. The expressions of opinion, which it contains, show the author's personal view at a given moment. These opinions can be changed at any time and without further notice.

A liability of the analyst or of the institution, which has mandated him, should be excluded from both direct and indirect damages.

This confidential study has only been made available to a limited number of recipients. A disclosure or distribution to third-parties is only allowed with East Value Research' approval. All valid capital market rules, which relate to the preparation, content as well as distribution of research in different countries, should be applied and respected by both the supplier and recipient.

Distribution in the United Kingdom: In the UK this document shall only be distributed to persons who are described in Section 11 (3) of the Financial Services Act 1986 (Investment Advertisements) (Exemptions) Order 1996 (as amended). This research may not be distributed and forwarded directly or indirectly to any other group of individuals. The distribution of this document in other international jurisdictions may be restricted by law and individuals who possess this study should inform themselves about any existing restrictions and comply with them.

Neither this document nor any copy of it may be taken or sent to the United States of America, Canada, Japan, or Australia or distributed, directly or indirectly, in the United States of America, Canada, Japan or Australia or to any resident thereof. Any failure to comply with these restrictions may constitute a violation of United States, Canadian, Japanese, or Australian securities laws or the law of any other jurisdiction.

Declaration according to § 34b WpHG and FinAnV on potential conflicts of interest (As of July 24, 2013): East Value Research has not been commissioned to prepare this report by anyone.

Declaration according to § 34b WpHG and FinAnV on additional disclosures (As of July 24, 2013):

It is in the sole decision of East Value Research GmbH whether and when a potential update of this research will be made.

Relevant basis and measures of the valuations, which are included in this document:

The valuations, which are the basis for East Value Research's investment recommendations, are based on generally-accepted and widely-used methods of fundamental analysis such as the Discounted-Cash-Flow method, peer group comparison, or Sum-of-the-Parts models.

The meaning of investment ratings:

Buy: Based on our analysis, we expect the stock to appreciate and generate a total return of at least 10% over the next twelve months

Add: Based on our analysis, we expect the stock to appreciate and generate a total return between 0%- 10% over the next twelve months

Reduce: Based on our analysis, we expect the stock to cause a negative return between 0% and -10% over the next twelve months

Sell: Based on our analysis, we expect the stock to cause a negative return exceeding -10% over the next twelve months

The respective supervisory authority is:
