On 27 February 2025, the Nomination Committee carried out a periodic suitability assessment of the Members of the Supervisory Board of BNP Paribas Bank Polska S.A., concluding that the individual Members of the Supervisory Board have the knowledge, skills and experience required to perform the function of a supervisory board member and offer a guarantee of due performance of their duties, and thus meet the requirements set forth, amongst others, in Article 22aa of the Banking Law. At the same time, the Nomination Committee concluded that the individual competencies of the Members of the Supervisory Board complement each other in such a way as to enable the Supervisory Board to exercise an appropriate level of collective oversight over all of the Bank's areas, as well as enable the Supervisory Board to effectively challenge and monitor decisions made by the Management Board and understand the Bank's activities, including the risks that are relevant to the Bank's operations.

The proportion of women on the Supervisory Board of the Bank is 45% and the proportion of men is 55%.

By Resolution No. 12/2025 dated 12 March 2025, the Supervisory Board of BNP Paribas Bank Polska S.A. positively assessed the results of the Nomination Committee's periodic assessment of the individual and collective suitability of Members of the Supervisory Board, and gave a positive opinion on the draft resolution of the General Meeting on the approval of the periodic assessment of the individual and collective suitability of the Members of the Supervisory Board of BNP Paribas Bank Polska S.A.

VII. Justification for item 12 of the agenda - Resolution No. 17 on the assessment of adequacy of the Bank's internal regulations regarding the functioning of the Supervisory Board and the effectiveness of its operations

The assessment by the General Meeting of the adequacy of the internal regulations of the Bank regarding the functioning of the Supervisory Board and the effectiveness of its operations results from Recommendation 8.9 of Recommendation Z of the Polish Financial Supervision Authority on the principles of internal governance at banks, issued by Resolution No. 289/2020 of the Polish Financial Supervision Authority dated 9 October 2020.

In accordance with the position of the Polish Financial Supervision Authority expressed in the letter of 31 March 2023 regarding compliance with the requirements for adequacy assessment of internal regulations on the functioning and effectiveness of the supervisory board, resulting from Recommendation Z of the Polish Financial Supervision Authority concerning the principles of internal governance at banks, the adequacy assessment of the regulations referred to above should be carried out by the General Meeting on the basis and to the extent of all information and documents that can be made available to the General Meeting, including but not limited to:

- 3) content of the Bank's internal regulations on the functioning of the Supervisory Board which, in the opinion of the Bank's Management Board, can be made available to the General Meeting;
- 4) expert reports, audit reports or opinions on the Bank's internal regulations regarding the functioning of the Supervisory Board and the effectiveness of its operations, prepared by external advisors at the Bank's request, subject to the observance of the necessary rules of confidentiality and for the purposes of the assessment made by the General Meeting.

In February 2025, the Supervisory Board carried out a self-assessment of the adequacy of internal regulations regarding the functioning of the Supervisory Board and the effectiveness of its operations. Based on the results of that report, the Supervisory Board, at its meeting on 12 March 2025, assessed that the Bank's internal regulations regarding the functioning of the Supervisory Board are adequate, comprehensive and ensure the Supervisory Board's effective and efficient operation (Supervisory Board Resolution No. 10/2025 dated 12 March 2025). The regulations duly reflect the specific nature of the Bank's operations, as well as its size and organisational structure. They meet all regulatory requirements under both the law and Polish Financial Supervision Authority's recommendations and EBA Guidelines relating to internal governance.

In order to assist the General Meeting in carrying out the assessment referred to above, the law firm Gide Tokarczuk Grześkowiak Sadowsnik sp.k. made an independent assessment of the internal regulations of BNP Paribas Bank Polska S.A. regarding the functioning of the Supervisory Board for compliance with Recommendation Z. In its assessment, the external advisor concluded that:

- (i) with reference to the requirements of Recommendation Z regarding the functioning of the Supervisory Board, the regulations are adequate and ensure that the Supervisory Board can operate effectively;
- (ii) the Supervisory Board carried out a self-assessment of the adequacy of internal regulations regarding the functioning and effectiveness of the Supervisory Board in a manner compliant with the requirements of Recommendation Z.

Accordingly, the external advisor recommends that the Bank's General Meeting make a positive assessment of the adequacy of the Regulations as they relate to the functioning of the Supervisory Board and the effectiveness of its operations.

VIII. Justification for item 13 of the agenda - Resolutions Nos. 18- 30 on granting a vote of acceptance to the Members of the Supervisory Board of the Bank for the fulfilment of their duties in the financial year 2024

The passing by the OGM of the Resolutions on granting a vote of acceptance to the Members of the Supervisory Board for the fulfilment of their duties results from the Bank's obligation to apply the provisions of Article 395 § 2 item 3 in conjunction with Article 393 item 1 of the Code of Commercial Companies and Partnerships.

The Supervisory Board confirms in its assessment that the Bank pursues a rational, balanced and controlled remuneration policy, ensuring its consistence with the strategy, the accepted risk level, with the standards and key values of the Bank, and with the relevant statutory and implementing legislation, in particular with the Regulation of the Minister of Finance, Funds and Regional Policy of 8 June 2021 on the risk management and internal control systems, and remuneration policy in banks, Directive (EU) 2019/878 of the European Parliament and of the Council of 20 May 2019, and the Polish Banking Law.

X. **Justification for item 15 of the agenda - Resolution No. 32 on the opinion on the Supervisory Board's report on the remuneration of the Management Board and Supervisory Board Members of BNP Paribas Bank Polska S.A. in 2024**

The passing by the OGM of a resolution on the Supervisory Board's report on the remuneration of the Members of the Management Board and Supervisory Board of BNP Paribas Bank Polska S.A. in 2024 is required by Article 395 § 2¹ of the Code of Commercial Companies and Partnerships in conjunction with Article 90g para. 6 of the Act on the Public Offering and the Conditions for Introducing Financial Instruments to Organised Trading, and on Public Companies.

The Supervisory Board adopted the Report on the Remuneration of the Members of the Management Board and Supervisory Board in 2024 at its meeting on 12 March 2025 (Resolution of the Supervisory Board No. 32/2025 dated 17 March 2025).

An independent auditor provided a report on the assurance engagement providing reasonable assurance on the assessment of the Report on Remuneration of the Members of the Management Board and Supervisory Board of BNP Paribas Bank Polska S.A. for 2024. The service was performed in accordance with the regulations of the National Standard on Assurance Engagements other than Audit and Review of Historical Financial Information 3000 (Z). The assessment has been added to the materials submitted to the OGM.

As stated by the external auditor in their opinion, the scope of the information presented in the Report on Remuneration, in all its material aspects, includes all the elements listed in Art. 90g, paras. 1-5 and para. 8 of the Act on the Public Offering.

XI. **Justification for item 16 of the agenda - Resolution No. 33 on the approval of an individual suitability assessment of a candidate for a Member of the Supervisory Board of BNP Paribas Bank Polska S.A. and on changes in the composition of the Supervisory Board of BNP Paribas Bank Polska S.A.**

On 22 November 2024, the Bank received a statement from Ms Magdalena Dziewguć on her resignation from the function of the Member of the Supervisory Board as of 21 November 2024. Therefore, it became reasonable to supplement the composition of the Supervisory Board. The Bank has received a request from BNP Paribas S.A. to appoint Ms Bożena Leśniewska, whose CV is enclosed hereto, as a member of the Supervisory Board. In addition, in accordance with the suitability assessment regulations adopted by the Bank, the General Meeting should approve the individual suitability assessment of a candidate for a Member of the Supervisory Board of BNP Paribas Bank Polska S.A.

By Resolution no. 28/2025 dated 12 March 2025 the Supervisory Board of BNP Paribas Bank Polska S.A. positively assessed the results of a preliminary assessment of individual suitability of a candidate for a Member of the Supervisory Board of BNP Paribas Bank Polska S.A. made by the Nomination Committee and gave its positive opinion on a draft resolution of the OGM on a assessment of individual suitability of a candidate for a Member of the Supervisory Board of BNP Paribas Bank Polska S.A. and an additional assessment of collective suitability of the Supervisory Board of BNP Paribas Bank Polska S.A. in its new composition and on changes in the composition of the Supervisory Board of BNP Paribas Bank Polska S.A. The assessment of the candidate has been attached to the materials submitted to the OGM.

XII. Justification for item 17 of the agenda - Resolution No. 34 on the collective suitability assessment of the Supervisory Board Members of BNP Paribas Bank Polska S.A. in relation to changes in the composition of the Supervisory Board

It is justified for the OGM to pass a resolution in this respect due to the change to the composition of the Supervisory Board. The General Meeting's competence and, at the same time, obligation to approve the assessment of collective suitability of the Supervisory Board performed by the Nomination Committee arises from the Policy on the Assessment of Suitability of Members of the Supervisory Board of BNP Paribas Bank Polska S.A.

By Resolution no. 28/2025 dated 12 March 2025 the Supervisory Board of BNP Paribas Bank Polska S.A. positively assessed the results of a preliminary assessment of individual suitability of a candidate for a Member of the Supervisory Board of BNP Paribas Bank Polska S.A. made by the Nomination Committee and gave its positive opinion on a draft resolution of the OGM on a assessment of individual suitability of a candidate for a Member of the Supervisory Board of BNP Paribas Bank Polska S.A. and an additional assessment of collective suitability of the Supervisory Board of BNP Paribas Bank Polska S.A. in its new composition and on changes in the composition of the Supervisory Board of BNP Paribas Bank Polska S.A.

The assessment of the suitability of the Supervisory Board of BNP Paribas Bank Polska S.A. in relation to the changes in the composition of the Supervisory Board was attached to the materials submitted to the OGM.

XIII. Justification for item 18 of the agenda - Resolution No. 35 on determining the remunerations of the Members of the Supervisory Board of BNP Paribas Bank Polska S.A.

The passing by the OGM of the Resolution in question results from Article 392 § 1 of the Code of Commercial Companies and Partnerships, which states that: 'remuneration may be granted to members of the Supervisory Board. The remuneration shall be determined by the Articles of Association or by a resolution of the General Meeting.'. The resolution is submitted at the request of a Shareholder BNP Paribas SA and aims to adjust the current value of salaries for inflation.

XIV. Justification for items 19 and 20 of the agenda - Resolution No. 36 on amendments to the Articles of Association of BNP Paribas Bank Polska S.A. and Resolution No. 37 on adoption of the consolidated text of the Articles of Association of BNP Paribas Bank Polska S.A.

The necessity for the OGM to adopt a resolution on this matter arises directly from the competence of the General Meeting as specified in Article 430 § 1 of the Code of Commercial Companies and Partnerships. The proposed amendments to the Articles of Association consist in:

- adjusting the scope of the Bank's business activity to the Banking Law, as amended by the Act on Amending Certain Acts in Connection with Ensuring the Development of the Financial Market and the Protection of Investors in this Market of 16 August 2023 (Journal of Laws of 2023, item 1723),
- aligning the Bank's Articles of Association with the amendments to the Accounting Act, the Act on Statutory Auditors, Audit Firms and Public Supervision and certain other Acts of 6 December 2024 (Journal of Laws of 2024, item 1863) concerning the implementation of sustainability issues, namely Directive (EU) 2022/2464 of the European Parliament and of the Council of 14 December 2022 on amending Regulation (EU) No 537/2014, Directive 2004/109/EC, Directive 2006/43/EC and Directive 2013/34/EU with regard to corporate sustainability reporting (so-called CSRD), in particular with regard to the inclusion of sustainability reporting,
- sorting out the provisions on own funds (alignment with the terminology of Regulation (EU) No 575/2013 of the European Parliament and of the Council of 26 June 2013 on prudential requirements for credit institutions and investment firms and amending Regulation (EU) No 648/2012) and reflecting the appropriate order of capital in covering the balance sheet loss. The purpose of the amendment to the Articles of Association is also to add the possibility of creating special purpose funds where necessary,
- adjusting the procedure for issuing internal regulations to the Bank's organisational conditions,
- other amendments to the Articles of Association are of an editorial nature, reorganising, among others, the titles of acts or references to the relevant units within the Articles of Association, and other editorial simplifications.

Adoption of the resolution regarding the consolidated text of the Bank's Articles of Association is a consequence of the amendments to the Articles of Association of the Bank and its objective is to present a uniform picture of the Articles of Association after the adopted amendments are implemented.

The Supervisory Board issued its positive opinion on the draft resolutions at its meeting on 12 December 2024 (Resolution of the Supervisory Board No. 79/2024 dated 12 December 2024) and the meeting on 12 March 2025 (Resolution of the Supervisory Board No. 4/2025 dated 12 March 2025).

XV. Justification for item 21 of the agenda - Resolution No. 38 on using the reserve capital of BNP Paribas Bank Polska S.A.

Passing a resolution on the use of the reserve capital falls within the competence of the General Meeting, in accordance with Article 396 § 5 of the Code of Commercial Partnerships and Companies.

1. On 28 November 2024, BNP Paribas Bank Polska S.A. ("the Bank") issued Series A capital bonds with an aggregate nominal value of PLN 650,000,000 (six hundred and fifty million zloty) ("the Capital Bonds"). The Capital Bonds are perpetual in nature.
2. In accordance with the terms and conditions of issuance of the Capital Bonds ("the Terms of Issue"), the Capital Bonds bear interest based on the reference rate WIBOR 3M and the margin provided for in the Terms of Issue of the Bonds ("the Interest").
3. Under the decision of the Polish Financial Supervisory Commission of 31 December 2024, the Capital Bonds were classified as Additional Tier 1 capital instruments (Additional Tier 1 capital instruments).
4. Pursuant to Article 52(1)(l)(i) of Regulation (EU) No 575/2013 of the European Parliament and of the Council of 26 June 2013 on prudential requirements for credit institutions and amending Regulation (EU) No 648/2012 ("CRR"), Capital Instruments qualify as Additional Tier 1 instruments if the distributions under the instruments are paid out of distributable items within the meaning of Article 4(128) of the CRR. In relation to the Capital Bonds, the profit is made up of the Interest.

In consideration thereof, it is reasonable to pass a resolution on the use of the reserve capital for the payment of interest. The entry into force of the resolution is postponed due to the fact that the current wording of the Articles of Association only allows the use of the reserve capital to cover the balance sheet loss

XVI. Presentation of the changes introduced by the Supervisory Board to the By-Laws of the Supervisory Board of BNP Paribas Bank Polska S.A. (item 22 of the OGM's agenda)
