

Correction of the General Meeting proposal

MOL Plc. ("MOL") hereby notifies market participants of the following:

In the document "MOL Plc. Extraordinary General Meeting 2025 - Proposals" published by the Company on October 22, 2025, two pieces of information were mistyped on page 11.

- The balance sheet total of the Downstream Company as legal successor, amounting to HUF 1,704,564 million, was incorrectly written as one trillion-seven hundred and four billion-five hundred and sixty-three million forints.
- The balance sheet total of the Retail Company as legal successor, amounting to HUF 586,460 million, was incorrectly written numerically as HUF 586,460.

Accordingly, the Company is publishing the corrected proposals for the general meeting. The above correction has been implemented on the forms available at the internet link <https://molgroup.info/en/investor-relations/general-meeting#nav-authorisation-samples>
